2. DEV 301 – Lab Guide.pdf (1.7 MB)

Lab Guide

This is a .pdf that contains all the Lab instructions.

Lab Files

Lab files are provided for most of the labs. For some of the labs, you will use the file(s) provided as a starting point to which you will add the necessary lines of code.

Most of the labs also have solutions. You can use these as a reference.

Slide Guide

This is a pdf that contains all the slides.

You can download the MapR Sandbox for Hadoop from here:
